

Malawi (country code +265)

Communication of 11.XII.2017:

The Malawi Communications Regulatory Authority (MACRA), Blantyre, announces that Telekom Networks Malawi Plc has implemented a new number segment +26531.

The new segment will be used for its VOIP, non-SIM based services. The number segment will run in parallel with the existing +26588 range which is for all SIM based services.

General information:

The international public telecommunication number structure for this segment will have twelve (12) digits in all (including country code +265).

CC + N(S)N = twelve (12) digit number length, where:

CC is the country code consisting of three (3) digits and

N(S)N is the National (Significant) Number consisting of nine (9) digits.

In Malawi, the N(S)N is the same as the subscriber number (SN).

Communication of 2.XI.2011:

The Malawi Communications Regulatory Authority (MACRA), Blantyre, announces that Malawi Telecommunications Limited (MTL) will be migrating its mobile (CDMA) number range from the current seven (7) digit to nine (9) digit numbering format in line with the new numbering plan that was introduced by MACRA in 2009.

There will be a dual numbering (parallel running) period from 1st November, 2011 to 30th November, 2011 where both the seven digit and the nine digit numbers will be in use. However, from 1st December 2011, only the new nine digit numbering plan will be in use. Communication of 15.XII.2008:

Each network shall have its own network access code. The international public telecommunication number structure of Malawi will have twelve (12) digits in all (including country code +265).

CC + N(S)N = twelve (12) digit number length, where:

CC is the country code consisting of three (3) digits and
N(S)N is the National (Significant) Number consisting of nine (9) digits.
In Malawi, the N(S)N is the same as the subscriber number (SN).
